Degree Path and Requirements:

This certificate is part of the Addiction Studies Program. This certificate provides academic preparation and fieldwork experience for individuals to conduct assessments for substance abusing clients. This is a stackable certificate, and by completing two additional courses, students are eligible for the Addiction Counselor Certificate of Achievement.

Department Advising Notes:

All of the courses required for this program have pre-requisites. In meeting these prerequisites, the students will satisfy the requirements for the Prevention Specialist and Addiction Studies Recovery Specialist Certificate Programs.

Program Description

This certificate is part of the Addiction Studies Program. This certificate provides academic preparation and fieldwork experience for individuals to conduct assessments for clients in substance abuse treatment centers.

Career and Transfer Opportunities

With this certificate, students are able to find employment in substance abuse treatment centers conducting intakes.

Youtube Videos

Program Map

A suggested sequence of classes to complete a degree, certificate, or program of study. Students should consult an academic counselor for variations to this plan based on part-time or full-time status, transfer plans, pre-requisites needed, etc.

Milestones

Courses or specific requirement designed to keep students on course to complete.

Core Course

A course that all declared majors must complete in order to achieve a degree or certificate.

Prerequisite Course

A specific course that must be completed before advancing to the next course.
